This year **Golf Destinations Le Club** is giving back to their loyal clients. For every confirmed booking for a group of 6 golfers we are offering a **Toowap Golf GPS**, the very latest in golf technology and made in France..! If you run a Golf Society or Corporate Events, this could be the perfect solution for a prize or incentive for any golfer.

Golf Destinations Le Club has the experience of creating the perfect golf day. For any event hosting 12 to 120 players, our experienced team will ensure that your group's Golf needs are handled with attention to every detail.

Developed for golfers by golfers, we all know that the aim of golf is to realize, on a defined course, as fewer shots as possible.

The founders at GPL Golf are aware of this and boast 28 years of experience and by teaming up with the professionals have produced a 100% 'made in France' golf tool to suit every golfers needs... whatever the level of play, this is the perfect solution for all...!

Innovation - GPS - Internet

Combining all these, as well as a divot repair tool, the Toowap takes up very little space, barely covering the palm of your hand and capable of the following:

- Displaying real time distances
- Distance to the green
- Covered distance from start
- Distance to last shot played

A secured 'members space' is available on the Toowap web site, allowing golfers to review impact via Google Earth.

For that very special golf event, the Toowap can be personalised to display the logo of your choice. Delivery is guaranteed with individual packaging and is also available in a presentation case of 10 Toowaps for golf clubs or Corporate Team Building organisers.

The secret of a successful golf trip is often in the planning and one of the advantages of booking with us, is that we take the stress out of the organisation, leaving you to just sit back and let someone else do all the planning for you....

Golf Destinations Le Club helps you make the right choice, offers advice, gives you all the necessary guidelines and is free of charge.

Some of our basic offers (Bed & Breakfast + golf) are presented in this Newsletter, and you can find a larger selection on our web site:
